Company Profile

Ein Egypt is a budding state of the art full service printing & advertising company that was established in 2003. It is focused on the printing needs of educational institutions, the corporate sector and the general public. It is our intention to provide the best possible printing solutions where attention is given to quality and detail, resulting in satisfied clients with whom we have lasting business relationships. The foundation of our business is integrity and honesty. We take pride in the client relationships that have developed resulting in interdependency and mutual growth.

■ Who we help & how

Our clients include small to medium enterprises and large corporations across many industry sectors. Manufacturing and export, local and government, education, retail and finance. As an independent family owned business, we have become a trusted partner for many other trade printers, agencies and creatives throughout Egypt and The Arab world.

Our team include designers, print consultants, online ordering specialists, offset and digital print managers, packaging and labelling experts, signage and point of sale manufacturers, installers and a finishing and logistics team.

■ Graphic design

With a team of in-house graphic designers and brand experts on tap, you have all your visual communication bases covered at Ein Egypt. From logo and brand development, stationery design, right through to full catalogue layouts or simply to set up your files, our studio of creatives ensure your project is set up correctly for production and meet deadlines with flair!

■ Digital print

Short run? Printing made fast and easy, for less. With so many stock options available now and a range of embellishments to make your project stand out from the crowd, talk to our consultants about your next print project. Need ideas? Our digital equipment can duplex and personalise on a wide variety of in-house papers and packaging boards. With digital embellishments including white, neon and clear toners offering more wow for less.

**...YOU GET
A QUALITY
FINISH AND
SPEED TO
MARKET
EVERY TIME**

■ Offset Print

We only use the «best in class» technology.

For medium to high volume print, our A2 and A1 modern offset printing equipment will give you consistent colour match and best value for every print project. Our presses use UV print technology for instant drying and more vibrant colour. This means you get a quality finish and speed to market every time. Perfect for booklets, packaging and high-volume print collateral projects. We know our clients are time poor, so tell us when you need it and we will make it happen.

■ Wide format printing & signage

From posters, exhibition and neon signage, to vehicle and building graphics, we have got the products to help promote your business on a larger scale!

With our extensive production equipment capability, a range of substrates such as corflute, ACM and paylite we can help you make an impact on a larger scale. Gloss or matt laminate options; indoors or outdoors; paper or polyester, when size does matter, we have the right solution for you.

■ Prototype

Utilising our Kongsberg digital cutting table, we can manufacture packaging prototypes. Perfect for those looking for an innovative way to get their products to market. Box development and design services from start to finish.

■ Merchandise

Looking for something a little different? Through our trade partners we provide our clients with premium promotional products and business gifts for those events and special occasions. Pens, tote bags, keyrings, cups and mugs. The options are endless.

■ Finishing

Die-cut, folded, stapled, PUR bound, our passionate team take care of your project, right until the moment we put it in your hands.

■ Campaign management

Planning to print multiple products for a mailing or event? We have the experience, processes and technology to deliver a seamless campaign. Utilising offset, digital and wide format print, we can deliver in full, on time and to specification. Including colour matching across a variety of printed products.

The advertisement features a vibrant green background with a central image of a red Costa Coffee cup filled with a strawberry and apple refresher. The cup is surrounded by fresh strawberries, apple slices, and a red and white striped straw. The text is arranged in a clean, modern layout, with the main headline in large, bold letters and the product name in a white rounded box. A QR code and contact information are provided at the bottom left, and a small disclaimer is at the bottom right.
